Mais voyons, que fait notre héros?
Aujourd'hui, il est pizzaiolo!

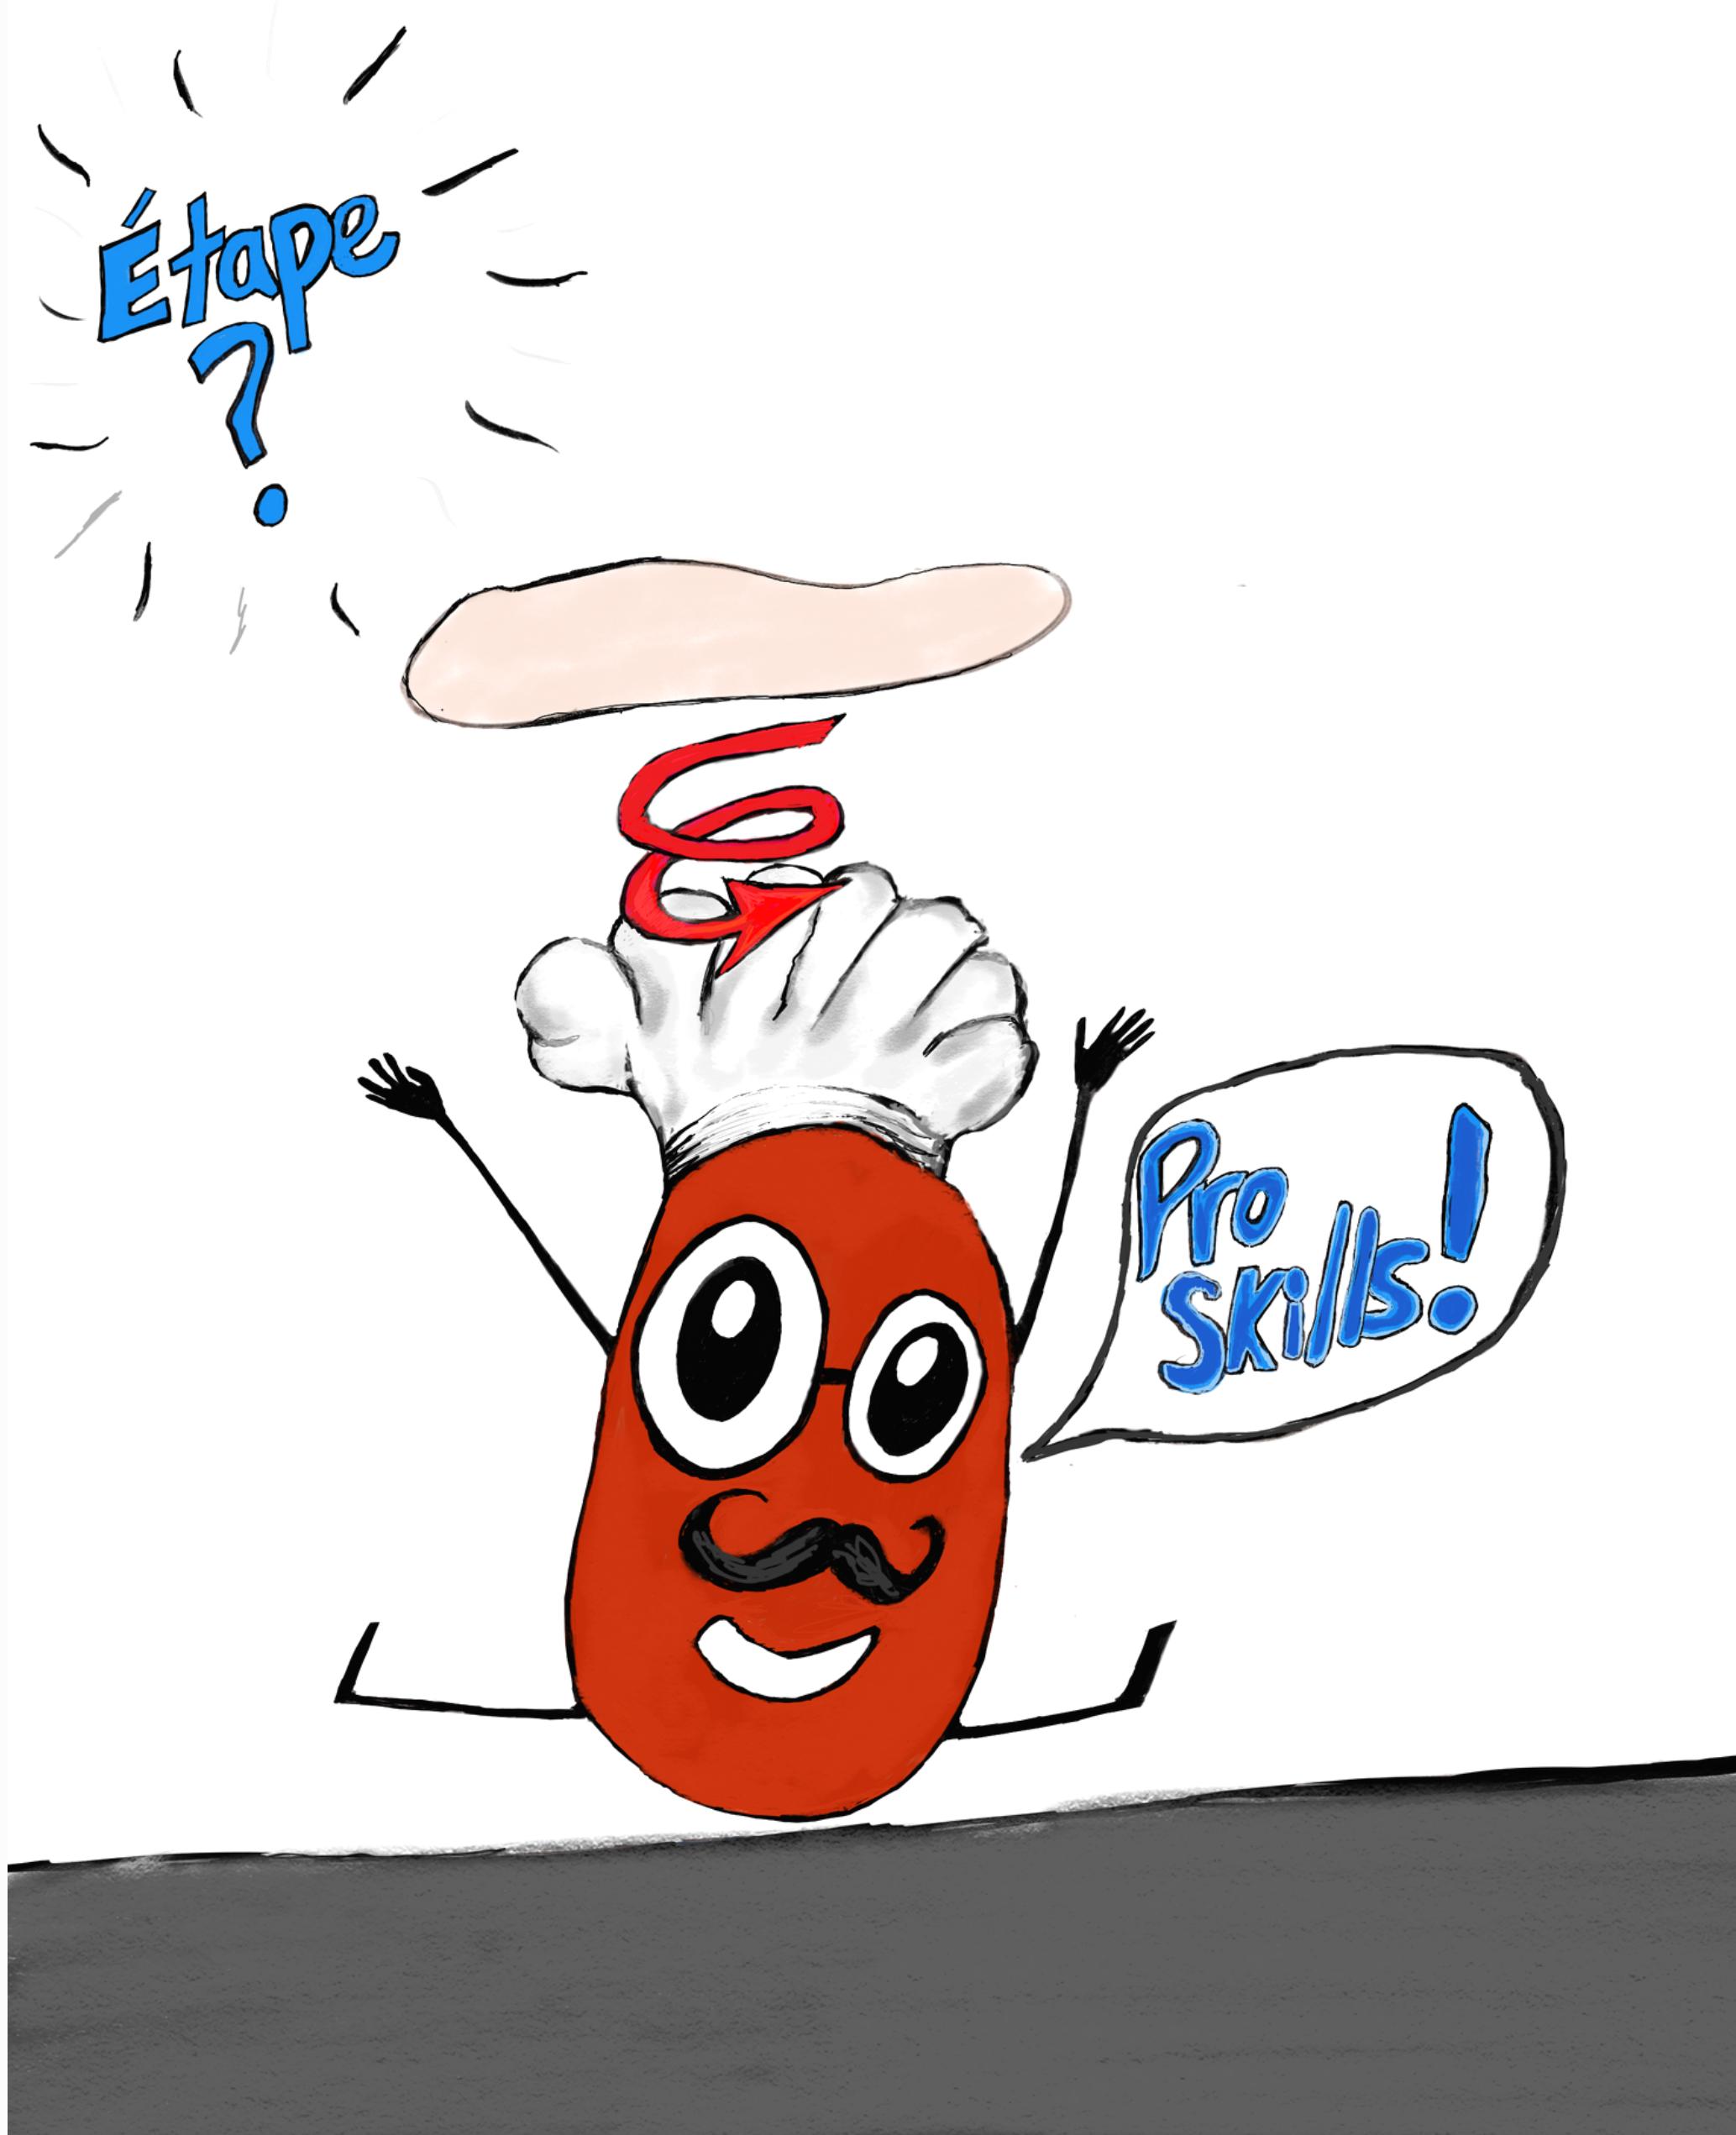

What path's our hero about to take?
He's now a cook, ready to bake!

Patate arrange ses ingrédients,
il roule sa pâte en arrière et en avant.

Potato rolls a pin to and fro,
back and forth on pizza dough.

Patate se pense un grand expert,
il lance la pâte droit en l'air.

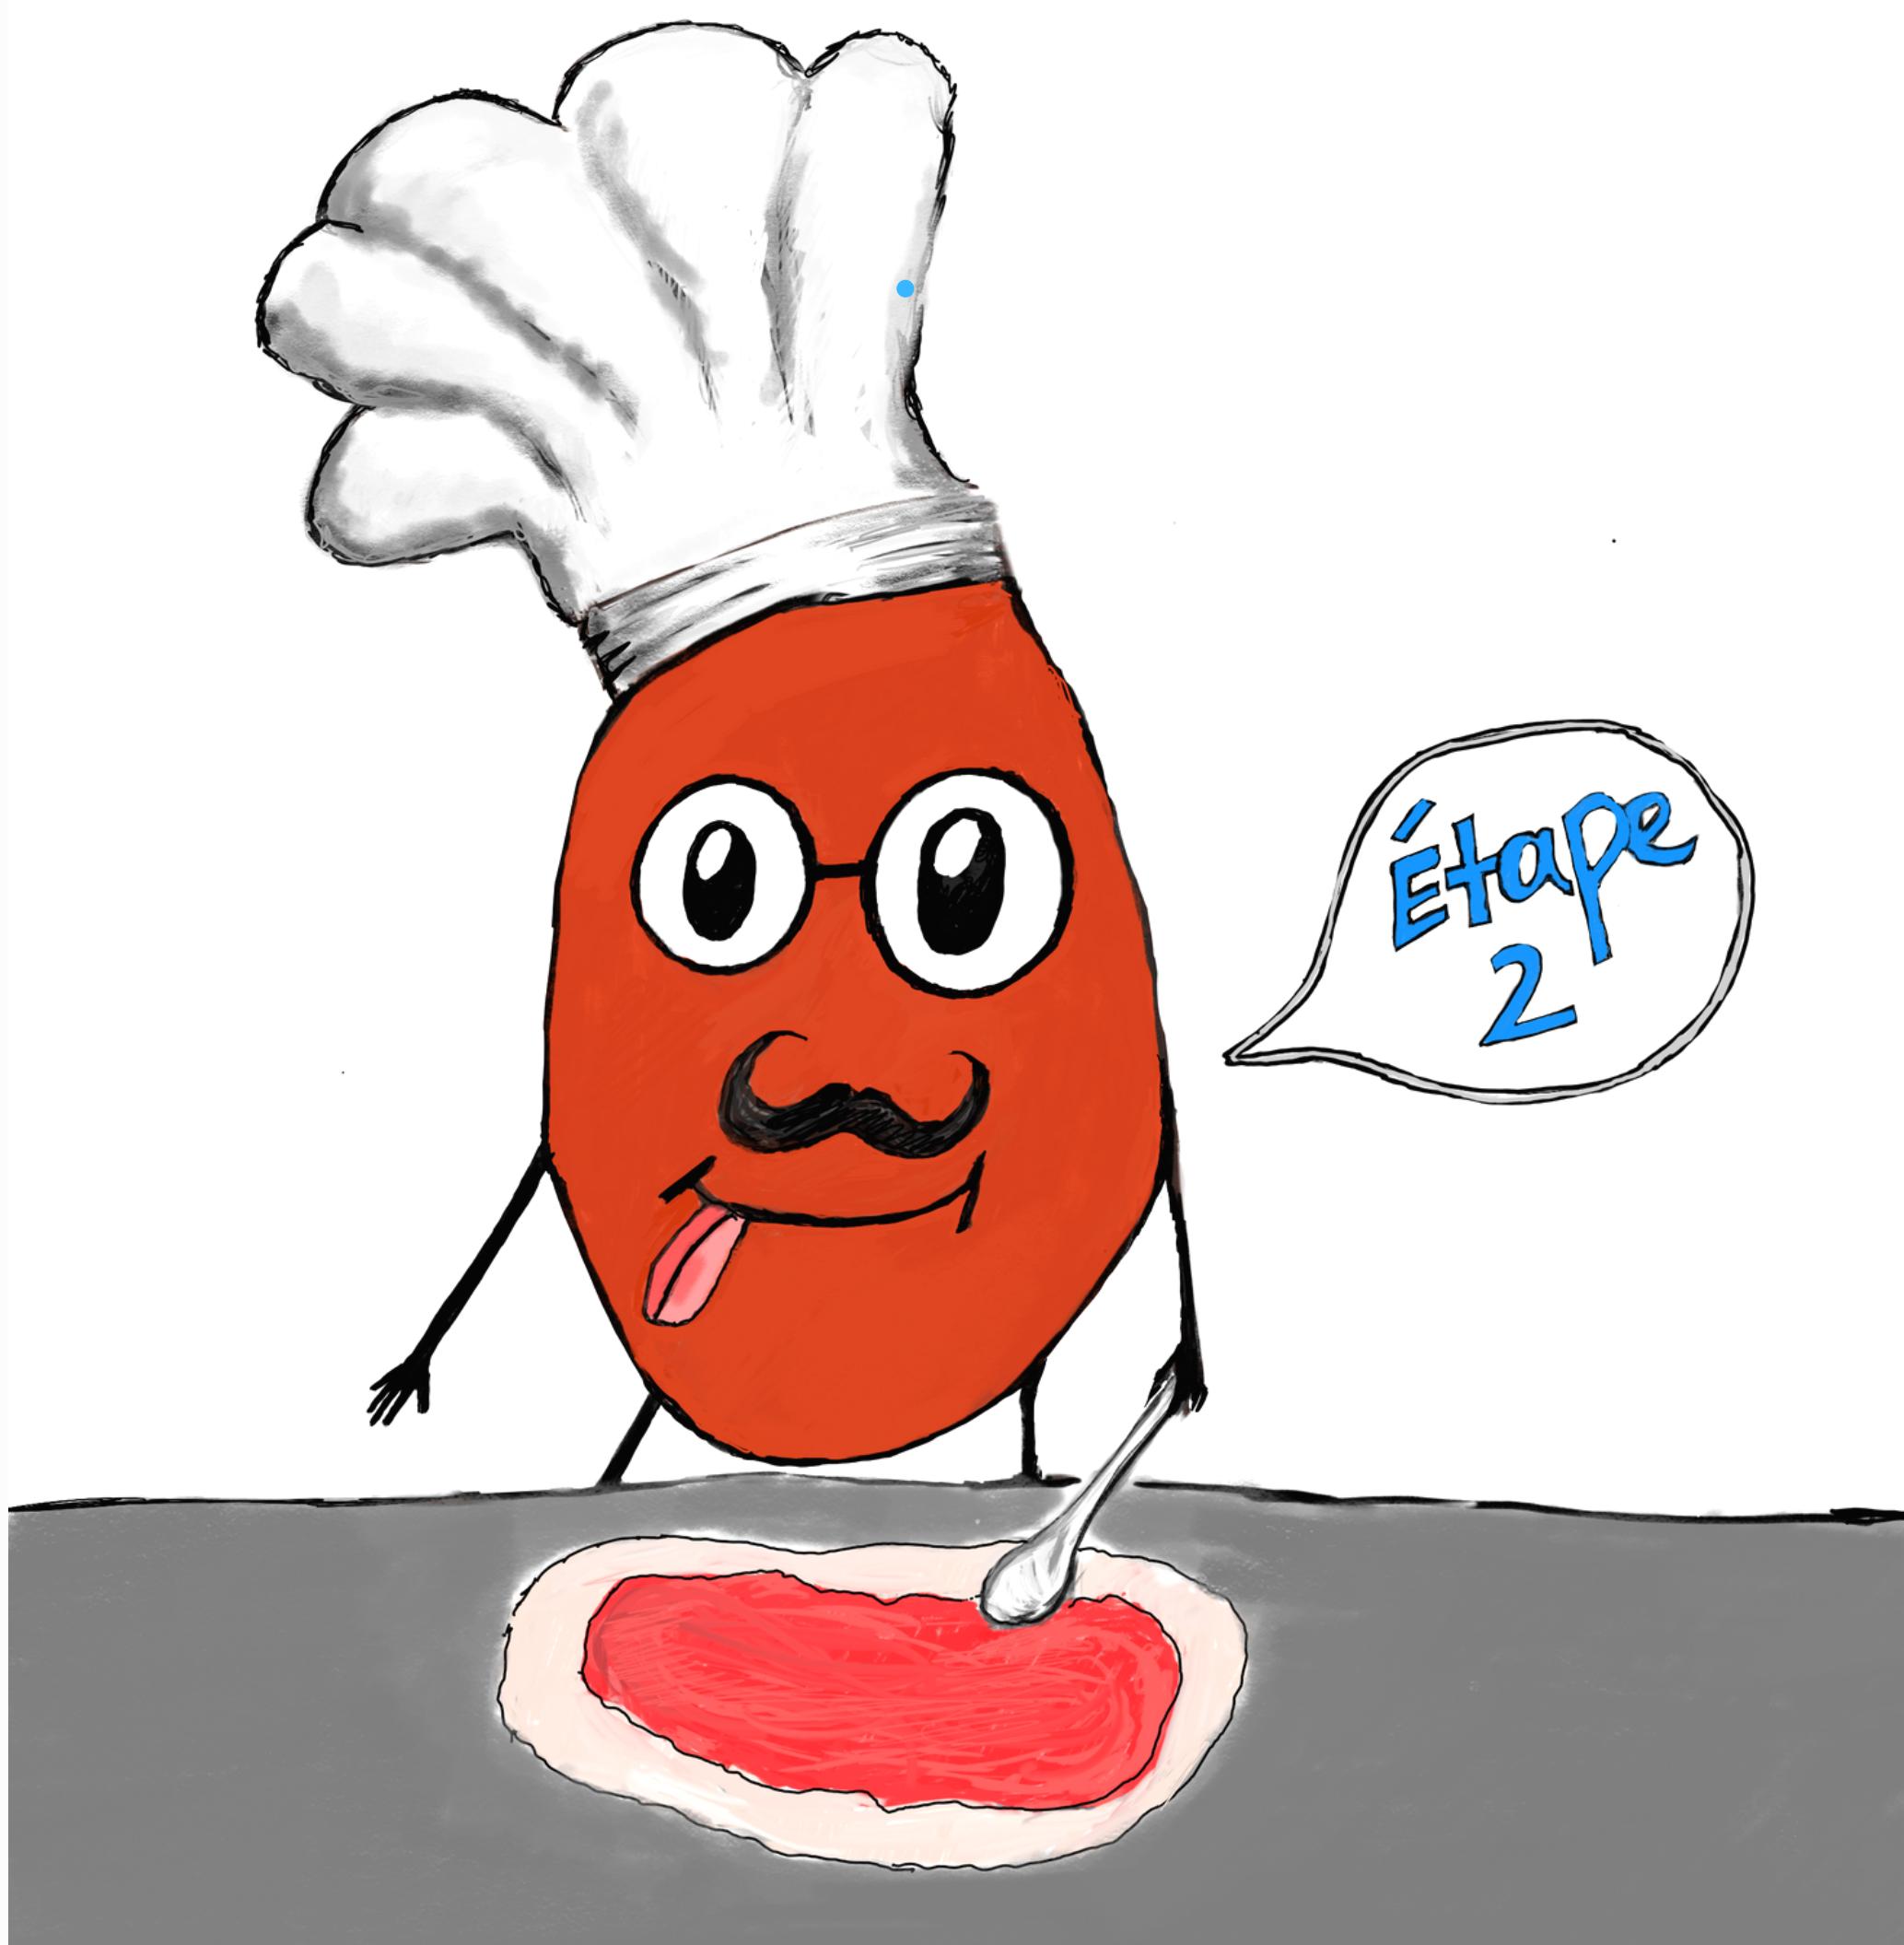

Potato thinks that he's a pro,
he tosses up his pizza dough.

La pâte tombe droit sur sa tête
et pauvre patate, elle rouspète.

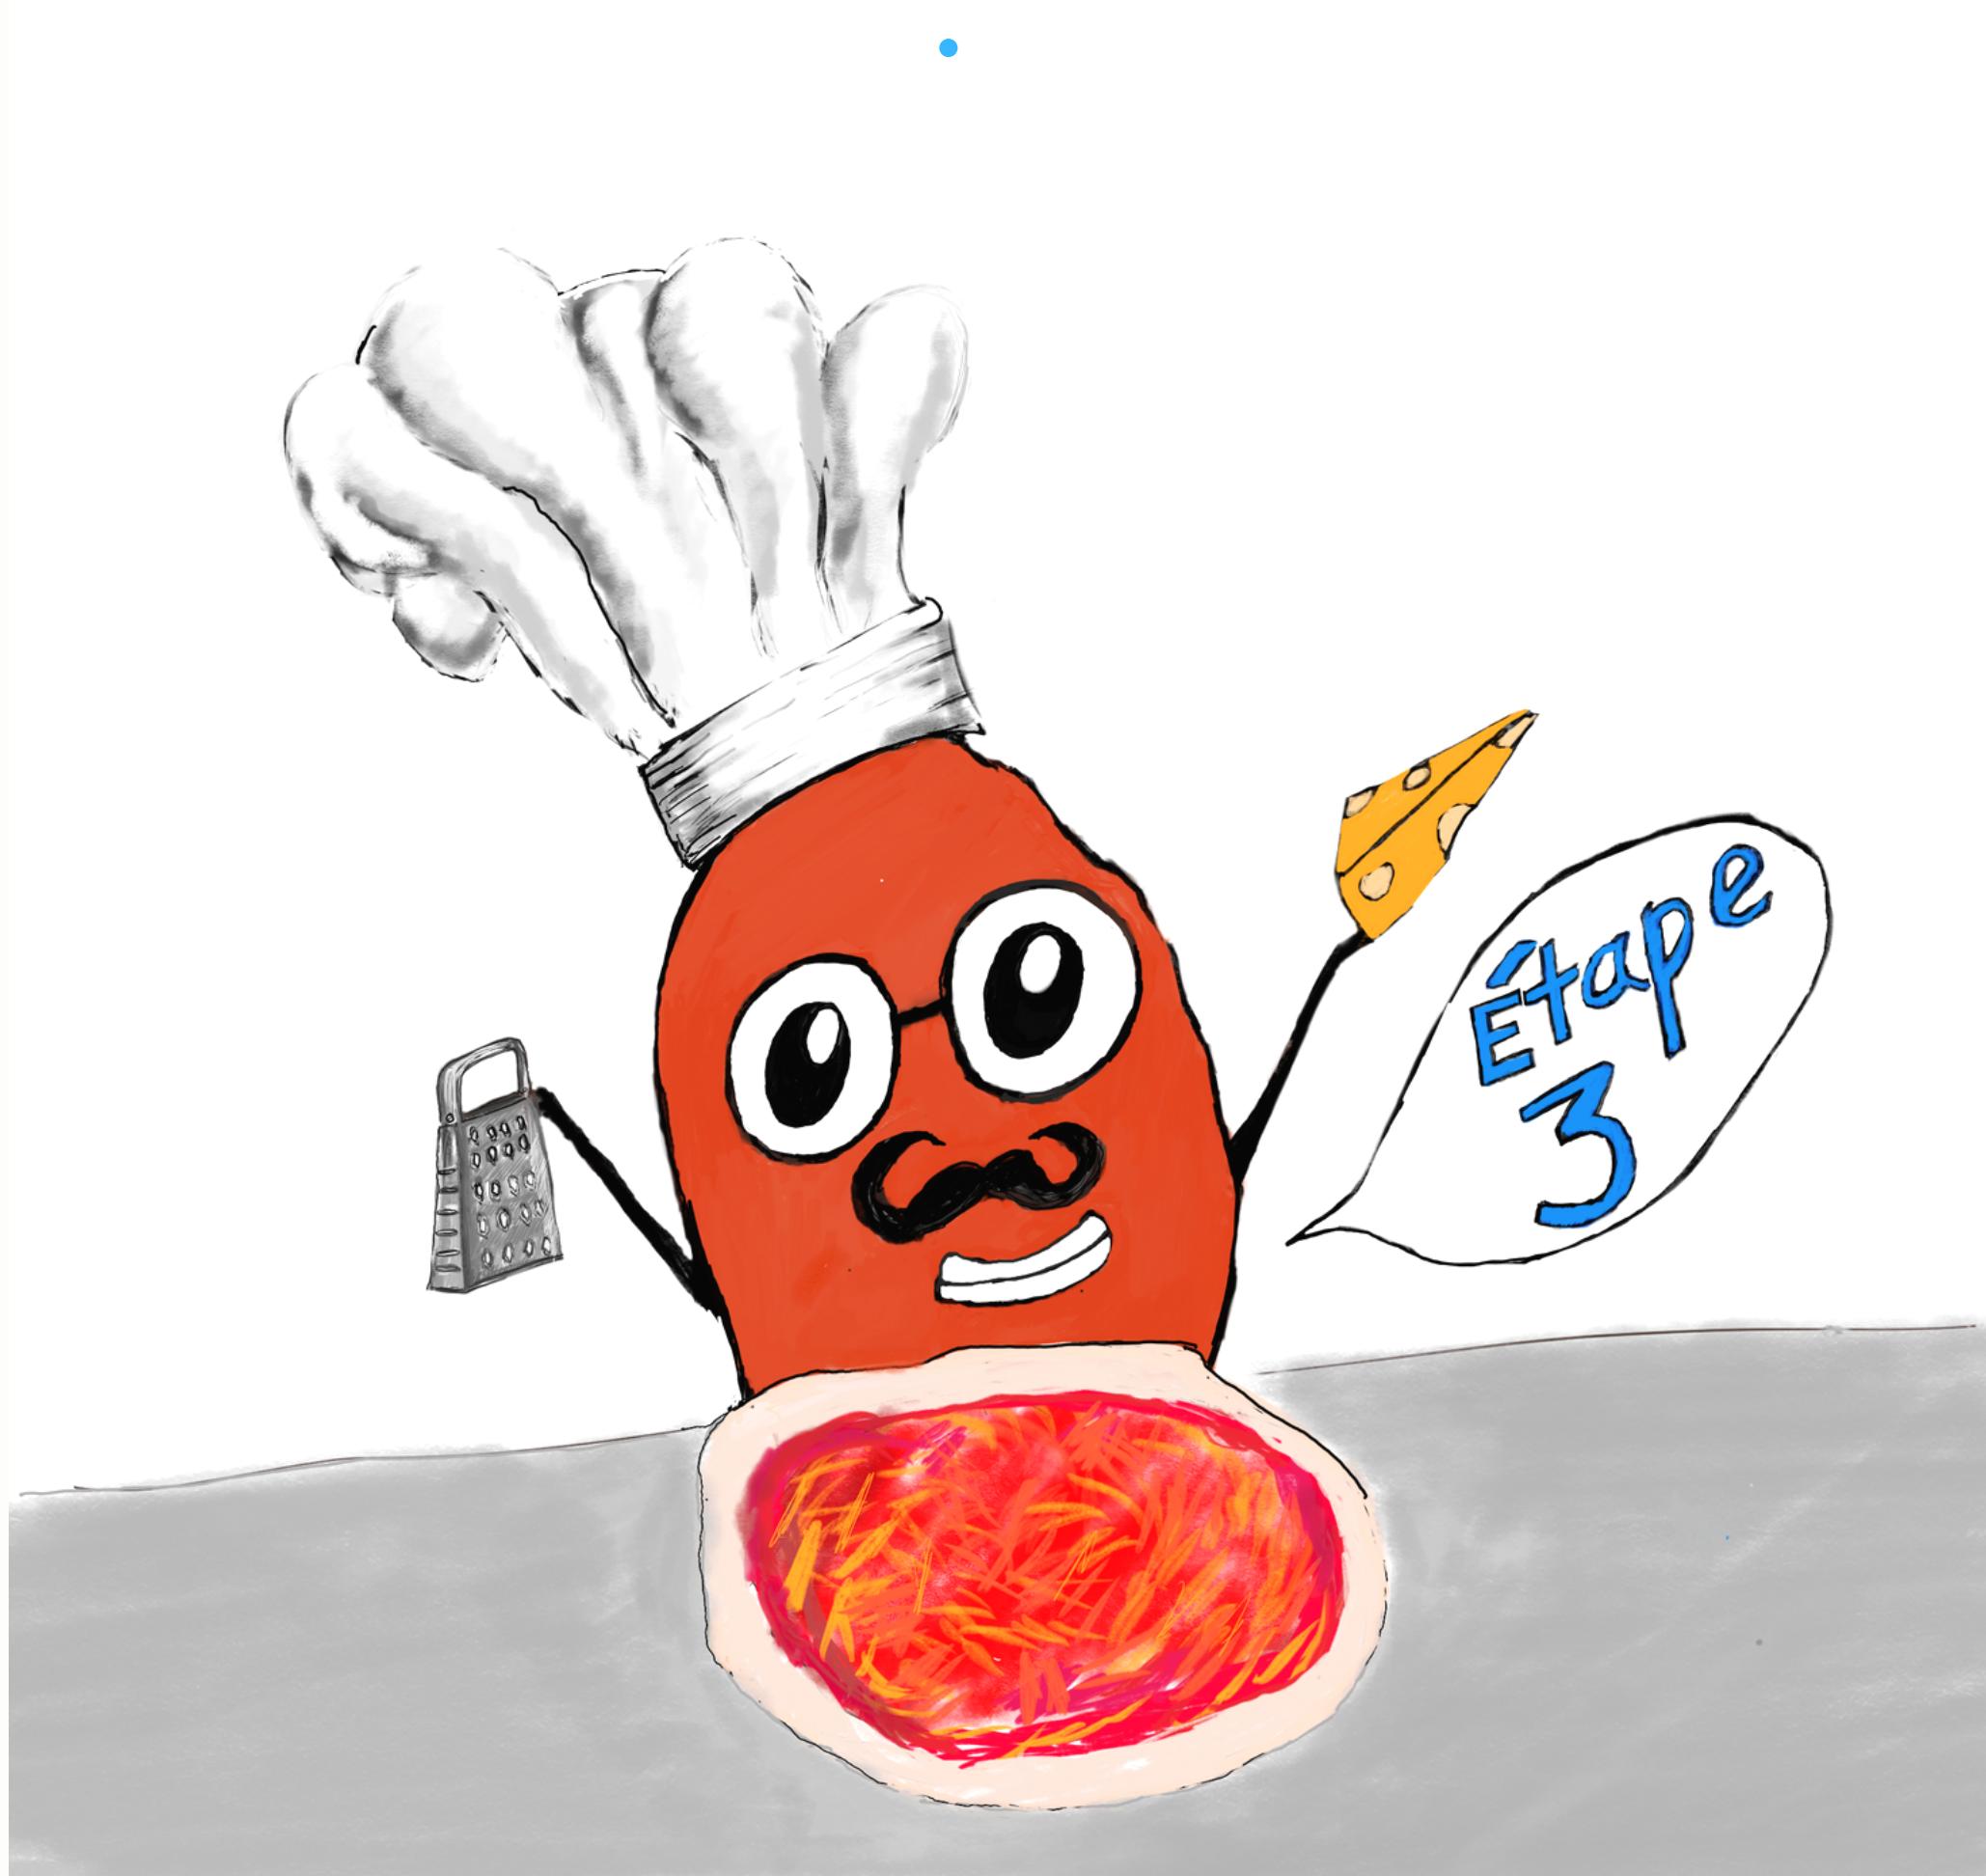

The dough falls right back on down,
and sticks to him, a gooey crown!

Mais elle n'abandonne pas la petite patate,
recouvrant sa pâte d'une sauce tomate!

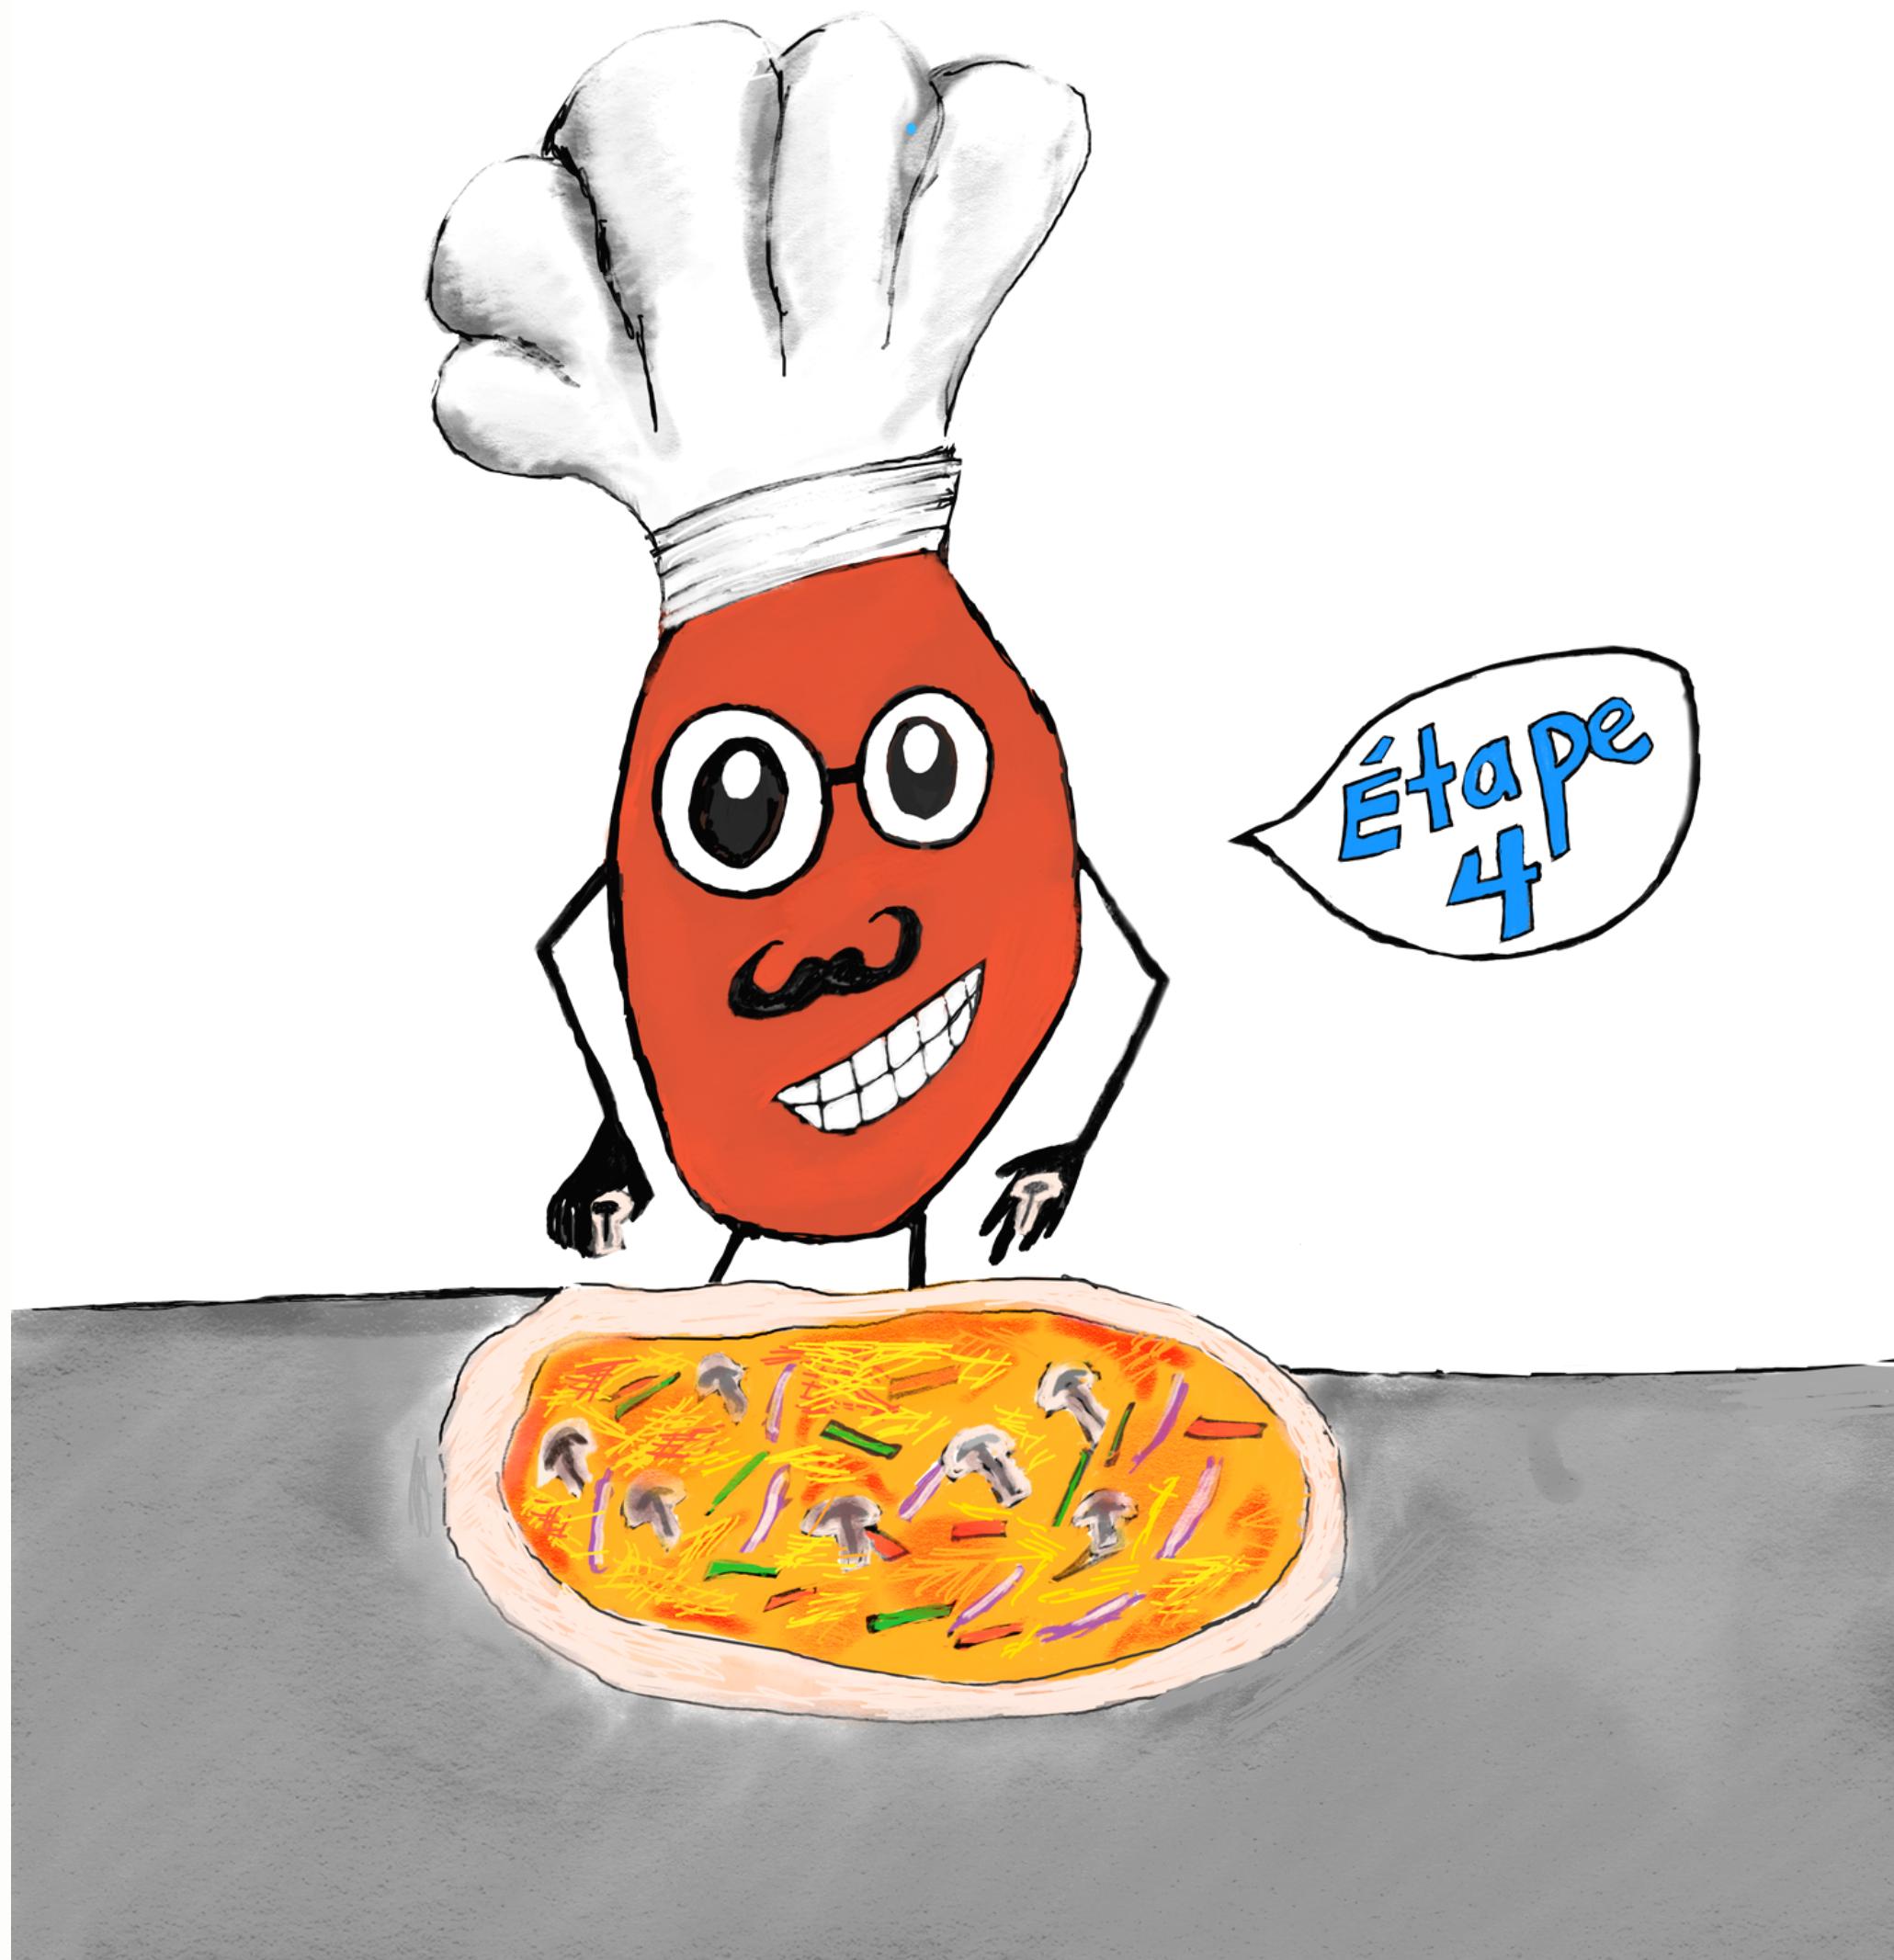

But our hero won't take a loss,
he starts to spread tomato sauce!

Patate ajoute son fromage
et il en fait un étalage !

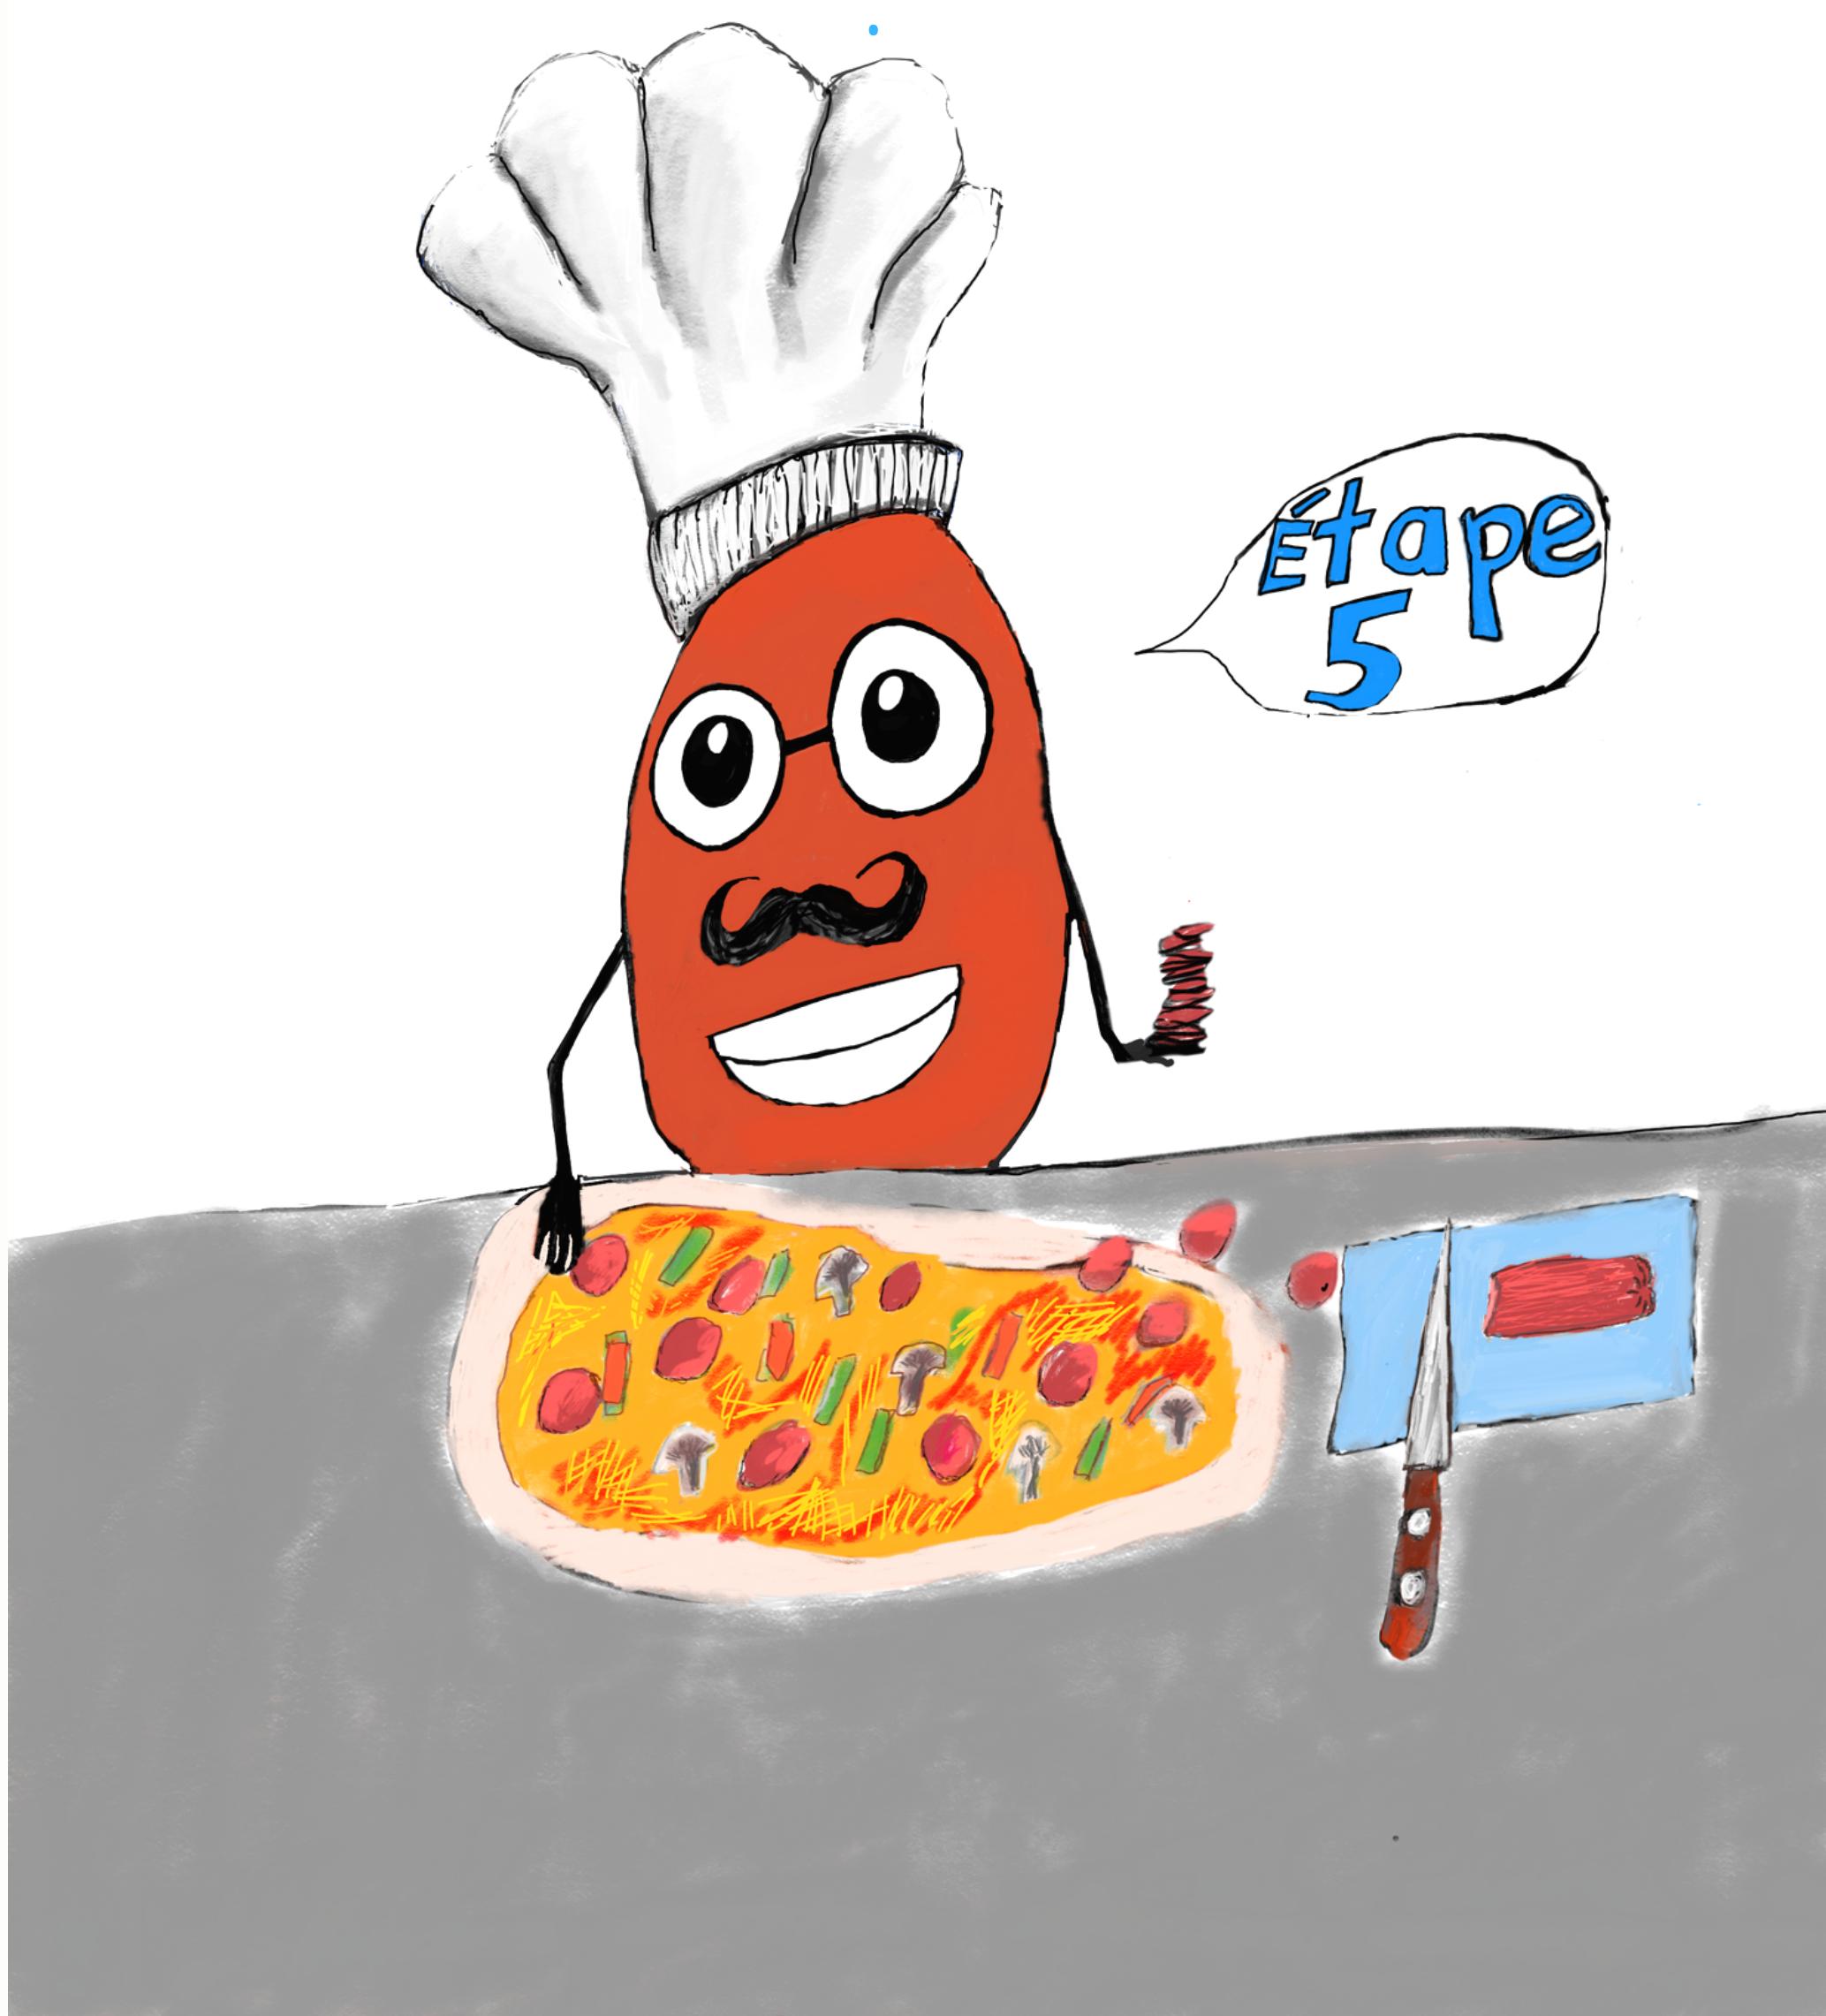

Potato adds some grated cheese,
and he spreads it with perfect ease!

Il met des piments et des onions,
suivi de quelques champignons!

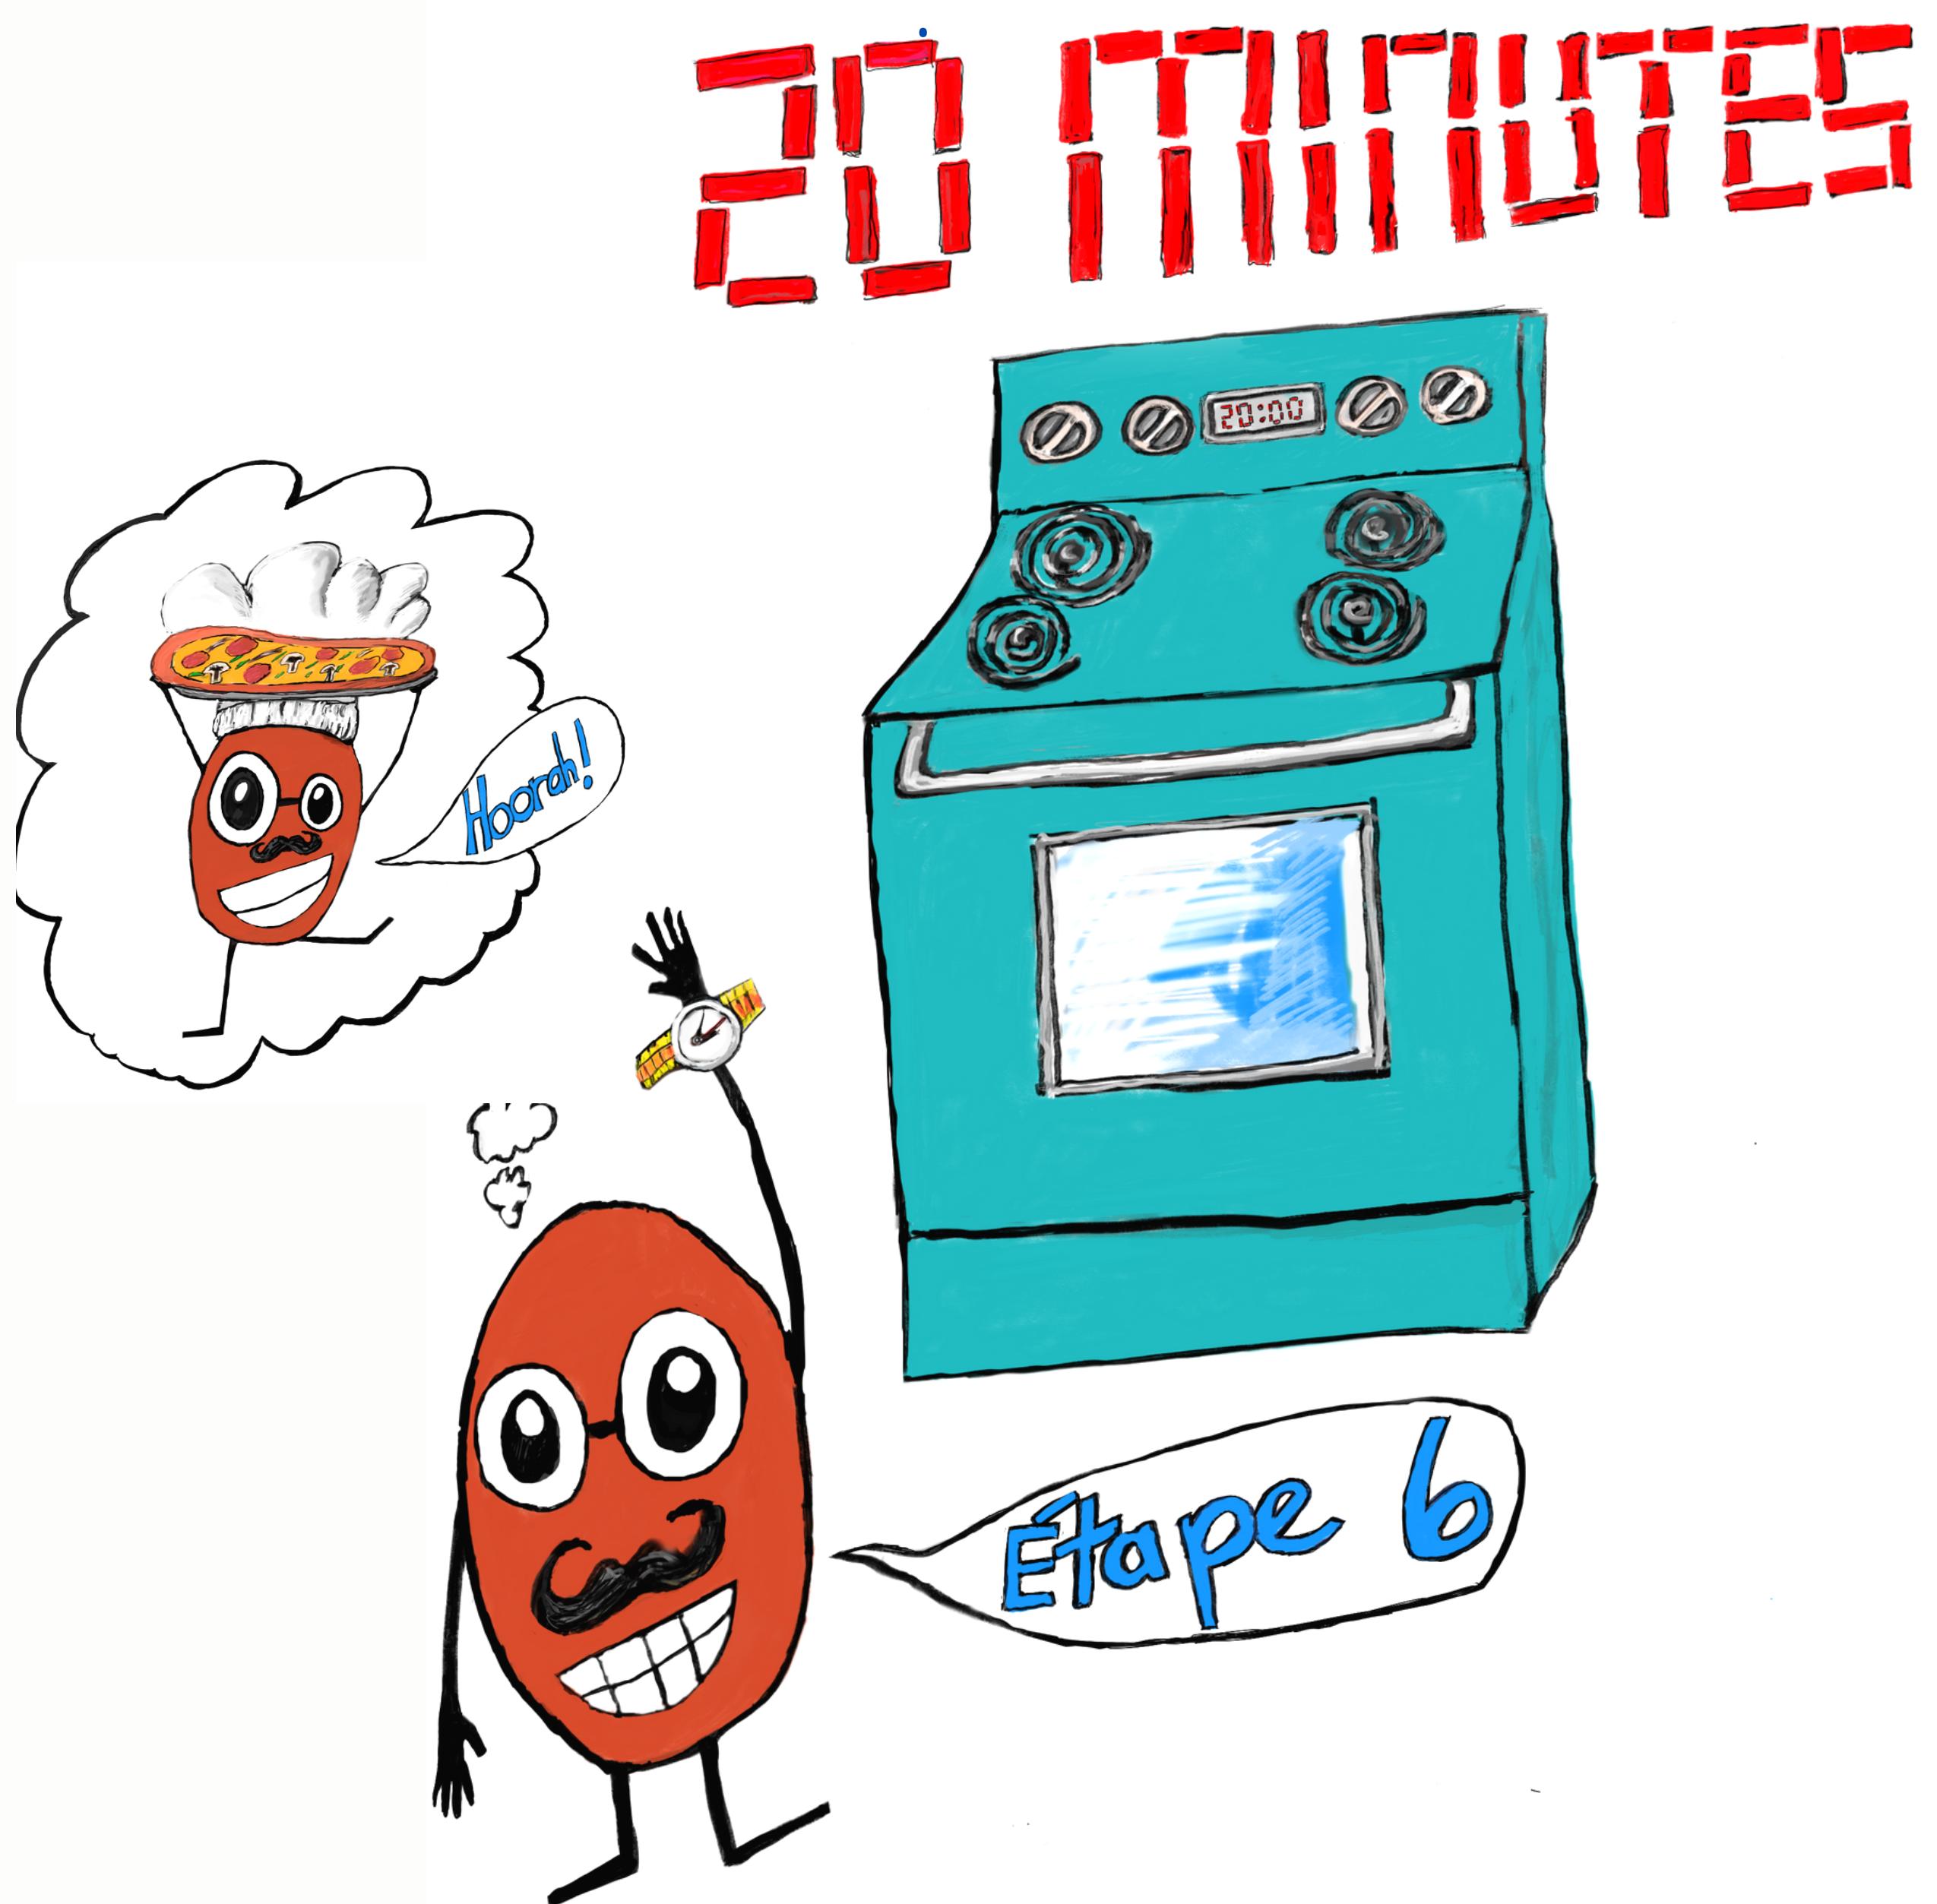

Potato adds veggies for his diet,
they're so healthy, can't deny it.

La patate y met de la viande,
elle a faim, qu'elle est gourmande!

Potato adds a bit of meat,
he sure can't wait to start to eat!

Maintenant, il met tout au four.
Il attend le fruit de son labour!

Now twenty minutes to wait.
Our potato starts to celebrate!

Ah, non! Pauvre pomme de terre!
Sa pizza est tombée par terre!

But in his haste, there's an uproar!
He drops his pizza on the floor!
